## 1. Home

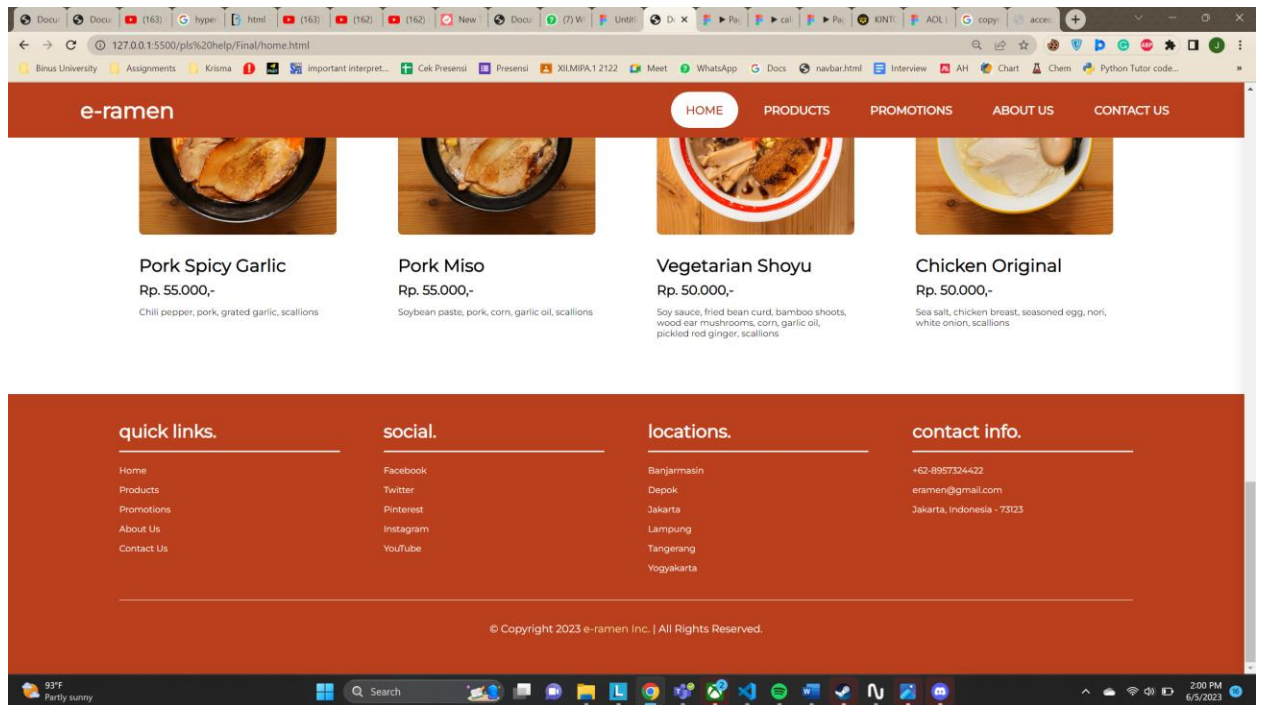

Navbar can be clicked and when the screen goes smaller it will then change into a hamburger menu

Carousel (manual and auto)

Buttons on the carousel can be clicked and it will lead the user to a different page

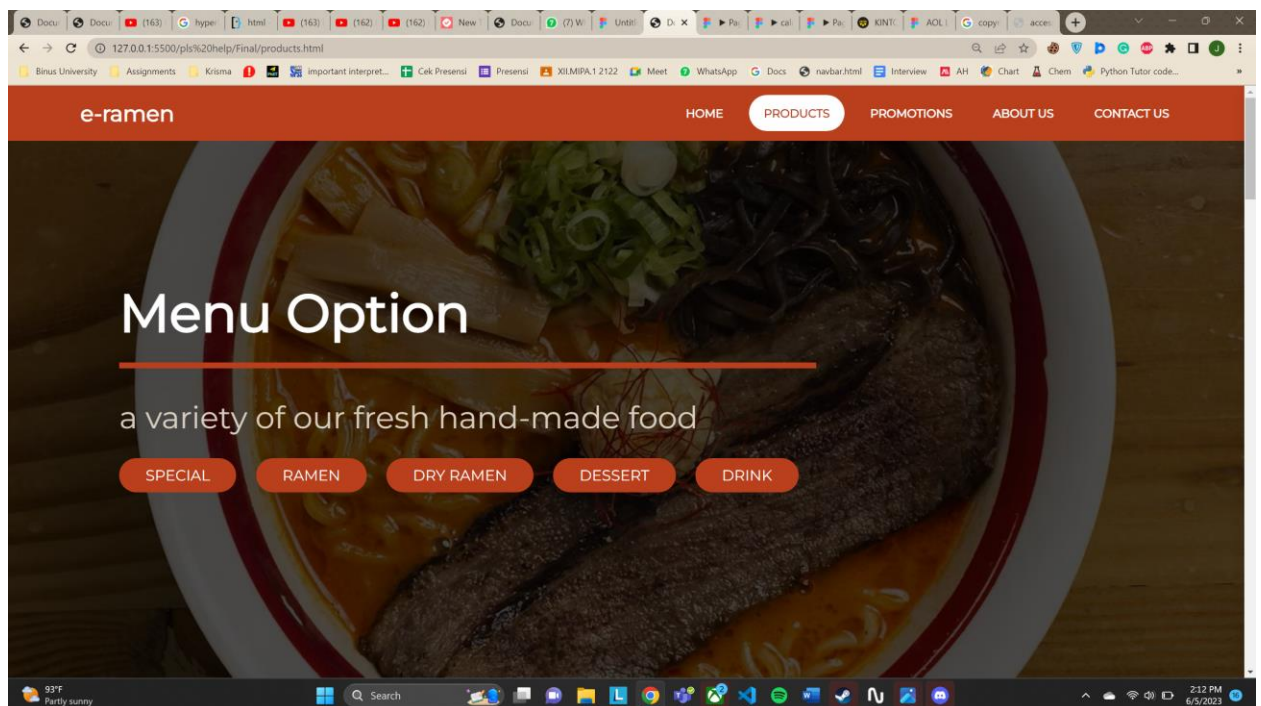

Hover on product and it will transform up a bit

Footer can be clicked and it will lead to another page

Home contains promotional banners, new menu, and best sellers

## 2. Products

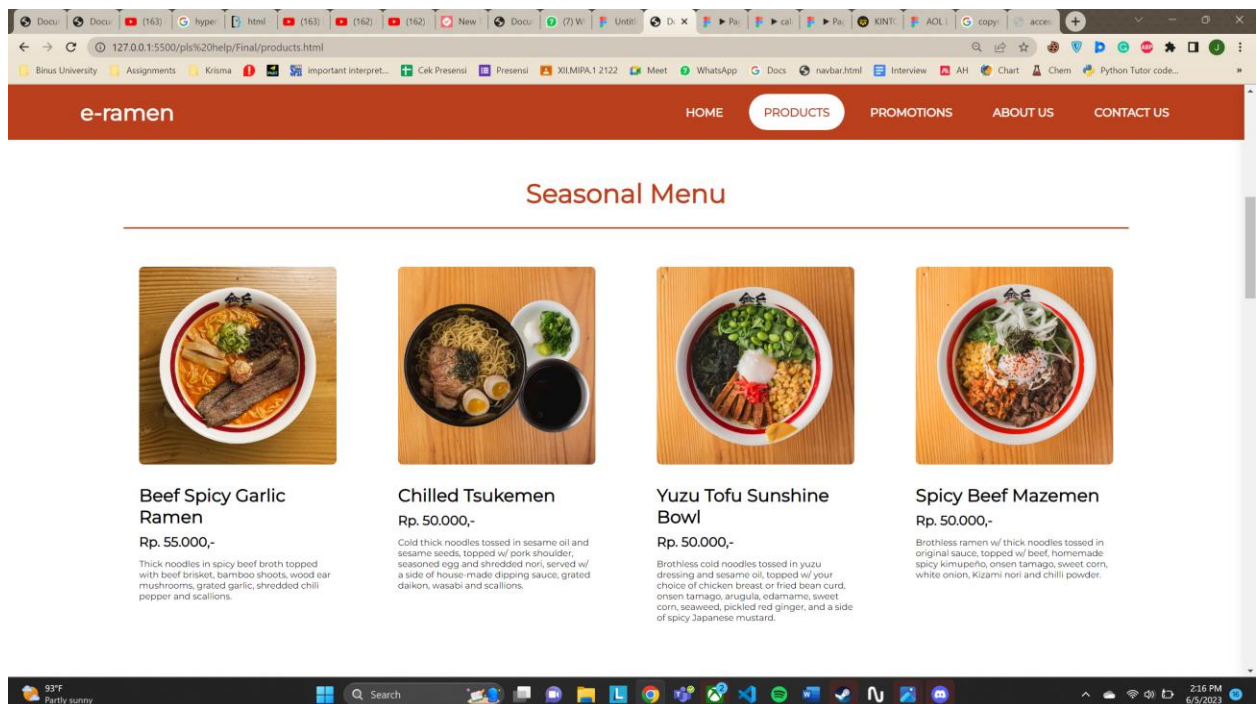

Navbar can be clicked and when the screen goes smaller it will then change into a hamburger menu

Menu buttons can be clicked (located under the title)

When it is hovered, it will change the button bg to white and the text to red

When it is clicked it will lead the user to a specific place in the page
